

ANUM – ENT Specialist Clinics

- Full Time
- Division 1 Registered Nurse
- Autonomous role

Show off your clinical expertise and organisational ability in the Specialist ENT Clinics. Act as a role model by encouraging your team members to develop professionally, adhering to quality care guidelines and supporting the Manager – Outpatient Services.

You will be prepared to advance your clinical skills and knowledge through formal and vocational learning. You will have relevant experience in Outpatient Services and/or ENT Nursing. You may also be working towards management qualifications and your natural inclination towards leading a team will be supported by strong communication, negotiation and financial skills.

When you join our multidisciplinary ENT team, you will be welcomed into an environment that cares for its employees and prides itself on a culture of integrity, care, teamwork and excellence.

We are centrally located, close to public transport and a short walk to the CBD. We offer considerable employee benefits, including salary packing and subsidised car parking.
