

## Ear Hygiene Nurse

Crystal Ear Clinic Pty Ltd  
Melbourne

- Ear Care Nurse
- Nurse led Private Clinic
- Regular hours
- Interesting Work
- Training Provided

Crystal Clear Ear Clinics provide aural hygiene to private clients in Melbourne's inner eastern suburbs. We currently have clinics in Balwyn and Brighton & a further clinic in Morwell (country Victoria).

We invite Registered Nurses to join our expanding business with the planned opening of new clinics in suburban Melbourne. The positions are part or full time, at award rates and ideally suited to Nurses wishing to make a change from a hospital environment. A background in aural health would be an advantage though not a prerequisite. Full training in the use of specialised aural cleaning instruments and working with a microscope will be provided. Initially you would be under the direction of the Principal Nurse. With the opening of new clinics employed nurses will have excellent opportunities to develop their self management skills. Excellent patient communication skills are required - as is a steady hand.

If you are interested in this opportunity, please forward your resume with covering letter to [gary@crystalclearclinic.com.au](mailto:gary@crystalclearclinic.com.au)
