Don't miss the opportunity for

- Pre conference 2 day paediatric airway workshop – including a comprehensive paediatric tracheostomy management day for nurses. (20th & 21st March 2019)
- 4 hour communication workshop – improve your communication skills to enhance both personal and professional communications and acquire skills to better manage breaking bad news and responding to emotions.
- Presentations covering the latest advances in diagnosis and management of ENT Head and Neck conditions including nursing implications.
- Forums and open discussion of ENT H&N nursing management.
- Huge opportunity for networking with likeminded colleagues and corporate entities.
- A fantastic opportunity to be involved with your peak professional body – OHNNG AGM – have an impact on how the group continues to grow and develop.
